

Manage Warehouse Addresses

Learn how to set, update, and delete warehouse addresses or identifiers for reporting purposes.

Add warehouse address

Navigate to the [Warehouse Address page](#) using the left navigation menu on the 2D Transit site.

Click the **+ Add** button found in the upper-right portion of the page.

In the pop-up window, the field is required. Fill in the field with a warehouse address or other identifier and click the **Save** button when done.

A pop-up window titled "Add" with a close button (X) in the top right corner. It contains a text input field with the placeholder text "Enter Address". Below the input field are two buttons: "Cancel" (grey) and "Save" (blue).

Update warehouse address:

Locate an item in the warehouse address list that you want to update, and then click the **Update** button in the **Action** column for that row.

You will see a pop-up box pre-populated with the warehouse address or identifier from that row. Update the field as needed and click the **Save** button when done.

The image shows a modal window titled "Update" with a close button (X) in the top right corner. Inside the modal, there is a text input field containing the value "NC". Below the input field, there are two buttons: a grey "Cancel" button and a blue "Save" button.

Delete warehouse address

Locate an item in the warehouse address list that you want to delete, and then click the **Delete** button in the **Action** column for that row.

The image shows a table titled "Warehouse Address" with a "+ Add" button in the top right corner. The table has two columns: "Address" and "Action". There are two rows of data. The first row has "NC" in the "Address" column and two buttons in the "Action" column: "Update" (yellow) and "Delete" (red). The "Delete" button is highlighted with a red box and a red arrow points to it. The second row has "UT" in the "Address" column and two buttons in the "Action" column: "Update" (yellow) and "Delete" (red). At the bottom of the table, there is a pagination control showing "1" in a blue box, with left and right arrows.

Address	Action
NC	<button>Update</button> <button>Delete</button>
UT	<button>Update</button> <button>Delete</button>

A pop-up window will ask if you're sure that you want to delete the address. Click the **Yes** button to confirm that you want to proceed.
