

View Print History

Learn how to view a complete history of your printed 2D and FNSKU labels.

Find, view, and reprint a previously printed label

- Navigate to the [Print History page](#) using the left navigation menu on the 2D Transit site.
- Use the search boxes to filter labels by the user who printed them, by label type, or by label ID. Or click a column header to sort the list by that column.
- To view a label, click the **View** button in the **Action** column.
- To reprint a label, click the **Print** button in the **Action** column.
